Business Link Media Group's 14th Annual 40 Under Forty Business Achievement Awards

Business Link Media Group celebrates the accomplishments of Niagara's next generation of business leaders.

PRESS RELEASE

Over 320 attendees joined Business Link Media Group in celebrating the achievements of Niagara's top 40 Under Forty winners at the Holiday Inn Suites Parkway Conference Centre in St. Catharines. Jack Peets, of the 102.9 K-Lite FM Midday Show, was the MC for the event and highlighted the achievements of these 40 incredible individuals.

The 40 Under Forty Business Achievement Awards give recognition to Niagara's next generation of business leaders. These 40 individuals are under 40 years of age and consistently make their mark in business, and contribute regularly to their respective communities.

A sincere thank you is extended to all who took the time to nominate these outstanding individuals. Without your efforts, these people may not have received the recognition they deserve. To all the winners, all the best in your continuing efforts, and once again, CONGRATULATIONS! **BL**
